1. The following report is based on official information with Austrian security office, Salzburg.

2. Oldrich ^{the} KUKLA,

merchant, born 17 May 1881 at Turnau, CSM, Czech citizen, living at Salzburg, Oberfuhrstrasse 4, was arrested in Salzburg on 27 February 1951 and kept under arrest at Salzburg prison. He was wanted by Vienna Landesgericht for attempted murder; he is said to have threatened a policeman of Brunn (Brunn) with his pistol.

3. Formerly KUKLA was employed with the Prague Ministry for Interior and worked for Czech Counter Intelligence.

4. For this reason the Austrian state police is interested in KUKLA.

5. Also Richard AUER-ALATT, already known from former reports, is interested in KUKLA and endeavours to get him out of prison. For such purpose he already negotiated with the Linz public prosecutor (Oberstaatsanwalt) Franz NICOLADONI; it is still unknown, if he succeeded. Should AUER not succeed in having KUKLA released from Salzburg Landesgericht prison, he would endeavor to have him transferred to Graz Landesgericht, because his close friend and collaborator Dr. Viktor (?) ALTMANN has a great influence there.
